

## Careers in the Clothing and Textile Industry

Samuel's 4-H group is learning about the different jobs people have in the clothing and textile industry.

Samuel is supposed to make a list of jobs he might do if he chooses to work in clothing and textiles. He will have to share his list at the next 4-H meeting. Which list is the best for Samuel to take to his 4-H meeting?

Rank the lists from best to worst.

**1**

Pattern Designer  
Laundry Worker  
Extension Home Economist  
Alterations Expert  
Dentist

4. This is the best list. These careers are all found in the clothing and textile industry.
1. This is the second best list of careers. Only a dentist is not a career in the clothing and textile industry.
2. This is the third best list. A meat cutter and pharmacist would not be careers in the clothing and textile industry.
3. This is the worst list. A mortician, barber, pediatrician, and veterinarian are careers not found in clothing and textiles.
