Please answer the following questions. If you have any questions, please contact either your county extension faculty or staff OR the Extension staff member who is supervising the event for which you are applying.

1. List your experience in talking with youth about how they have taken their experiences in 4-H and applied them to other areas of their lives.
2. What specific efforts have you undertaken that demonstrate your ability to plan, conduct and teach programs in 4-H?
3. Please detail your experience working with/supervising youth on overnight trips away from their homes?
4. Please explain your experience working with youth from different backgrounds, counties or organizations that demonstrates your ability to work with youth that have previously been unknown to you.

5. One of the goals of our national trips is to promote independence within our youth. If your child will be a participant on this trip, please describe how you will plan to promote their independence with you in attendance on this trip. (If your child is not attending, please disregard this question.)
6. Is your spouse planning to attend this trip with you? If so, how will you plan to ensure that their attendance will not interfere with your duties as a chaperone and the needs of the members on this trip?
7. Have you attended the chaperone training at State 4-H Forum, KYG, or other event (including via technology or county-based delivery method)?
8. Would you be available to meet with and share your experiences of this national event with others at county, district, or state meetings?
9. Chaperones are responsible for chaperoning youth at all activities on the trip. These trips often require long hours and considerable movement from place to place, often including walking. Are you able to meet this requirement?
10. Please give some examples of how older youth have shown respect to, and cooperation with, you.
11. Please describe your travel experience.
