4-H'ers! Now is your chance to speak out against cyber bullying! The Great American NO BULL Challenge is the nation's only youth-led, multi-tiered, cyber bullying prevention campaign that's tied to a Red Carpet Awards Event, including an all-star gala performance that raises awareness to the issue of online bullying in America.

The campaign, beginning **Jan. 15, 2012**, involves the entire nation of 6<sup>th</sup>-12<sup>th</sup> graders, educators, counselors, and communities along with youth organizations and national non-profits to create an anti-cyber bullying movement in America. The campaign offers students a venue to participate in a video challenge, learn about cyber bullying, have the opportunity to win some incredible prizes and attend the first annual red carpet awards event to celebrate their NO BULL success.

The top fifteen finalists who are selected will win an all expense paid trip for themselves and one guest to attend The NO BULL Red Carpet Awards Event being held at the Masonic Center in San Francisco on July 21, 2012.

Now is your chance to stand up and help put an end to cyber bullying! Start working on your video today!
