

2009 KITCHEN ACTIVITIES

Schedule your participants on WS4HF/1.09m, using the following master schedule. Each county may schedule as many activities as their event times permit, allowing no more than 3 hours per activity. Refer to the 2009 State 4-H Fair Premium Book for time limits on specific events. Alternate exhibitors will be contacted directly by the State 4-H Fair Kitchen Activity Superintendent, as openings become available. It is very likely that all additional exhibitors will be accommodated. Home-schooled youth are encouraged to participate at State 4-H Fair on weekdays, regardless of county day assignment.
