* Total WA Youth, K-12, taken from '01-'02 OSPI Public & Private Enrollment Summary, 2001-2002 Race by Grade County Summary (<http://www.k12.wa.us/dataadmin>). Statistics for home-schooled youth are not included in the OSPI report. An unusually high 4-H percentage coupled with a low or no report of duplication of youth may indicate unreported duplication in youth group enrollments or that group enrollments reflect multiple-county programming.

** Total with duplicates: Includes those participating in more than one delivery mode; duplicates are likely under-reported.

*** State Prog. : Stats include participation in a program conducted by a State Staff Member, not reported at the county level.

Comments: This was the 7th reporting year using MarTech Blue Ribbon Software. A decrease of 12,885 was reported statewide in unduplicated youth enrollment; adult leadership increased slightly by 39. Youth in clubs gained by 752 statewide. Non-traditional delivery methods decreased in youth participation overall, with only Resident Camps and SAC showing increases. Sp. Interest/Day Camps showed a dramatic decline statewide of 15,750; Sch. Enrichment enrollment decreased by 3,962; reported SAC enrollments increased by 470; Resident Camps increased by 139. In spite of the decrease in youth enrollment statewide, 19 counties reported an increase in unduplicated youth enrollment; those increasing 500 or more were King and Snohomish. The following counties reported a decrease in youth numbers of 500 or more: Benton-Franklin, Chelan-Douglas, Ferry, Grays Harbor, Kitsap, Pierce, Whatcom, & Yakima. Non-Club enrollments reported by the State Specialists/Staff decreased by 9,708 from the previous year. Total percentage of school-aged youth reached by 4-H programming statewide dropped by 1%. Reported Adult Training (adult volunteers and other adults trained by 4-H Extension faculty and staff in the areas of leadership, parenting, & other topics) increased by 1,021, although 1/3 of the counties submitted no training records.

Report prepared by Nancy Mordhorst, 4-H Program Coordinator, WSU Pullman. 11/02 2002stats.xls
