* Total WA Youth, K-12, taken from the OSPI 2003-2004 Race by Grade County Summary, (<http://www.k12.wa.us/dataadmin/>). Statistics for home-schooled youth are not included in the OSPI report. An unusually high 4-H percentage coupled with a low or no report of duplication of youth may indicate unreported duplication in youth group enrollments or that group enrollments reflect multiple-county programming.

** Total with duplicates: Includes those participating in more than one delivery mode or youth enrolled in more than one club; duplicates are likely under-reported.

*** State Prog. : Stats include participation in a program conducted by State Faculty/Staff, not reported at the county level.

Comments: This was the 9th reporting year using MarTech Blue Ribbon Software. A decrease of 3,324 was reported statewide in unduplicated youth enrollment; adult leadership decreased by 979. Youth in clubs gained by 2,584 statewide; in addition to community clubs, club membership included in-school clubs, after-school clubs, and military 4-H clubs. Non-traditional delivery methods decreased in youth participation by 7,749 overall. Sch. Enrichment groups enrollment remained strong due largely to significant numbers of youth reached by 4-H Challenge, EFNEP, Food Sense, and Master Gardener Programs, representing 53% of the total reported youth. Four counties reported an increase in unduplicated youth enrollment; those increasing 500 or more were Grant, King, Pierce, & Snohomish. The following counties reported a decrease in youth numbers of 500 or more: Benton-Franklin, Clallam, Clark, Ferry, Mason Whatcom, & Yakima.

Report prepared by Nancy Mordhorst, Program Coordinator, WSU Pullman. 11/04 2004stats.xls
