* Total WA Youth, K-12, taken from the OSPI '09-'10 Reports, <http://www.k12.wa.us/dataadmin/>) for private and public schools; total K-12 WA enrollment does not include home-schooled youth.

** Total with duplicates: Includes those participating in more than one delivery mode or youth enrolled in more than one club.

*** State Prog. : Stats include participation in a program conducted by State Faculty/Staff, not reported at the county level.

Comments: This was the 15th reporting year using Blue Ribbon software. An increase of 7,910 youth was reported statewide in unduplicated youth enrollment; adult leadership decreased by 271. Youth in clubs increased by 990 statewide. School Enrichment programs increased by 10,776, largely due to increased Food Sense reporting. Camping for both day and residence participants decreased significantly, and no SACC groups were reported for the current year. Seventeen counties reported an increase in unduplicated youth enrollment; those increasing 300 or more were Adams-Lincoln, Clark, Grays Harbor, King, Snohomish, Spokane, Walla Walla, and Yakima; those counties with decreases of 300 or more unduplicated youth were Clallam, Okanogan, Pierce, and Whatcom. Adults trained as a result of 4-H Ext. programs decreased by 2,114 from the previous year as reported, though fewer counties tracked training in their databases.

Report prepared by Nancy Mordhorst, Program Coordinator, WSU Pullman. 12/10 2010stats.xls
